MISSION: Archbishop Williams High School, Inc. is an independent Catholic co-educational high school, which educates young men and women spiritually, academically, morally and physically. We are a Christian community that integrates learning with faith and focuses on developing the whole person. We seek to provide an affordable college preparatory education and to graduate capable and confident young people who are responsible members of their communities and who have been guided by the values of the Catholic Church.

DESCRIPTION: AWHS, Inc. provides academic, co-educational and athletic programs to prepare high school students well for the college experience. School funding comes mainly from tuition with additional funds from the Catholic School Foundation and from the School's own endowment for financial aid. The school draws students from Boston and from as many as forty (40) communities on the South Shore. Students travel to the school by car and public transportation, including the commuter rail.
